GOALIE CLINIC APPROVED

The SFYHA board has approved hosting a 3-day goalie clinic at the East Bethel Arena. This clinic is currently being planned for September 18, 19, and 20, 2009, a week before tryouts.

Zach Sikich, of ProHybrid Training, and staff will be conducting this training. This clinic will include 6 hours of on ice and 3 hours of off ice training.

For more information contact Goalie Director Tony Caspers @ atcaspers@comcast.net

Check out PHT's website @ www.prohybridtraining.com

This clinic will be offered to our SFYHA goalies at a reduced rate. We will be opening this clinic to other area associations.

FIRST YEAR SKATERS WILL SKATE AT A REDUCED RATE

In an effort to recruit new hockey players to our association, the SFYHA board has decided to waive first year A-Mite skaters fees. This will also apply to all other first year association skaters, but their fees will be credited only at the A-Mite rate. The skaters which are not skating at the A-Mite level, are

responsible for the fee difference between their level and the A-Mite level.

These skaters, however, will be required to sell 12 raffle calendars and will need to complete and pay the USA Hockey registration and fee.
