Minutes:

Minutes from last board meeting were passed out and reviewed. Bill Karas asked that the board review the minutes and suggest any changes. No changes were necessary. A motion was made to approve the minutes; motion was seconded and passed unanimously.

Presidents Report:

Bill Karas opened with a report regarding the meeting with Doug to buy the Arena. The City of East Bethel is open to us purchasing the Arena. They are asking that we have 2 appraisals done, 1 that the City will hire and one that we do. The City asked that we split the cost on the Appraisal they order. The decision at this time is just take it slow. Bill suggested a Power Point presentation to the City on our plans for the Arena. In regards to Pull Tabs, Fat Boys had asked us to shut down on a Saturday evening to use the booth as a beer booth. Bill went down to Fat Boys as there was an altercation. We did not shut down. Due to the altercation we have pulled the meat raffle and bingo. We added the Hydrant in Bethel and the Hunters Inn, and are looking at the Dug Out. Max's and SRO are also possibilities.

Vice Presidents Report:

Registration dates at the Arena are set and on the website. July 18th, 6-8 p.m., September 11th, 6-8 p.m., and September 15th, 10 a.m. to 12 p.m. Online pay system account is set up, the goal is to have it running by July 19th. Brad is meeting with Dan King regarding this. Brad is also working on a merger at the PeeWee level with North Branch and Cambridge. Has gotten no responses as of yet.

Merger: Rob has had discussions with other Associations regarding the merger of the Bantams, and possibly the PeeWees. He was approached by the Andover Association at the Bantam level. We would form 5 teams in Andover and skate at their rink. Andover would be purchasing some ice time from us. The Budget would need to be re looked at. Andover has approximately 35 kids, added to St. Francis 14-19 kids would yield an A team, B1, 2B2 and a House team. John Huninghake questioned the ice times and how much ice time the kids would get in Andover. The concern is to not shortchange the kids' ice time. A motion was made to Merge with Andover at the Bantam level, was seconded, and passed Unanimously.

Guest: Joy Erickson brought us some information on Bar Bingo Advertising. It was tabled until a later date as we currently are not doing Bar Bingo.

Treasures Report:

Brian stated that he is up and running. He will have a report for us next month. The current balance is \$11,200. There is still approximately \$7000 outstanding to be collected.
